

PREMIUM LIBERTY CAREGIVER DOORS DATASHEET

Technical Data

Product	Premium Liberty Caregiver Shower Doors
Height	29.5" approx.
Material / Construction	Powder coated aluminium frame, nylon mouldings, PETG glazing panels, flexible PVC seals.
Options	Double bi-fold doors, linear aligned.
Fixed Panel Sizes (where applicable)	15.75" wide
Features	<p>Curved Foot: Can be trimmed to suit most floor curved profiles (wetroom only).</p> <p>360 degree intermeshing bi-fold hinge: allows door to fold in either direction.</p> <p>Compensator adjustment: accommodates different tile thicknesses.</p>
Special Features	Improved light touch door lift: Doors are raised clear of the wetfloor or showertray in order to ensure smoother operation. A damped spring loaded mechanism raises the door by approximately .37" when the release lever is pressed, the push pad is pressed to lower the door.
Installation	Suitable for use with shower trays and wetroom products. Comprehensive installation kit supplied. Adjustable wall compensators are fixed to the wall. Compensators allow size adjustment and alignment of door/panel.
Available sizes	59"
